

Youth Worker : Job Advert

- Are you passionate about working with young people?
- Do you have experience in reaching and connecting with young people from both inside and outside the church?
- Can you foster spiritual growth amongst the young people in “light touch” ways but be alert to taking chances that may arise?

We are looking for a dynamic Youth Worker to lead our congregation’s work with Families, Children and Young People and develop relationships with those who participate in activities in the church. Greenbank Parish Church is a large suburban Church of Scotland in Edinburgh. Discussion are ongoing about future arrangements for the four churches in our local grouping under the Presbytery Mission Plan. The other churches are Morningside Parish, Fairmilehead Parish and St John’s Colinton Mains.

The post is a full time one but reduced hours may be considered.
